

MOBIL DE-ICER
Mobil Ancillary , United Kingdom

Product Description

Mobil De-icer is a high performance product that effectively clears frost and ice from windscreens.

Features and Benefits

The high performance De-icer formula contains Antifreeze which helps prevent refreeze in cold weather conditions.

Applications

- 1. Remove all loose snow from windscreen.
- 2. Spray onto windscreen.
- 3. Allow De-icer to run down.
- 4. Use windscreen wipers to clean.
- 5. In severe conditions a second application may be required.

Typical Properties

Mobil De-icer	
Color	Light Pink Liquid
Density at 20°C, g/cm3	0.96 g/cm ³

Health and Safety

Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request through your sales contract office or via the Internet, or provided by seller to customers if and as legally required. This product should not be used for purposes other than its intended use. If disposing of used product, take care to protect the environment.
