Mobilgrease MP

Mobil Passenger Vehicle Lube,中国

Lithium Automotive Grease

Product Description

Mobilgrease MP is a high quality, multipurpose, NLGI 2 grade, lithium hydroxystearate grease based an ISO VG 150 mineral oil. It is formulated to provide added protection against rusting and w washout in general purpose automotive applications at moderate temperatures and loads.

Features and Benefits

Mobilgrease MP has a long history of proven performance in general purpose automotive applicat and provides the following benefits:

- Wide operating temperature range
- Good resistance to water washout
- Extra protection against rust and corrosion
- Good pumpability in centralized systems
- Excellent structural stability
- Lead, chlorine and nitrite free

Applications

Mobilgrease MP is recommended for the lubrication of automotive chassis components, who bearings, clutch bearings, universal joints and ball joints of steering and suspension systems passenger cars, trucks, farm tractors and most other types of mobile equipment operating ur moderate conditions. The recommended operating temperature range of Mobilgrease MP is -20°C. In applications where heavy or shock loading is a factor, extreme pressure greases are preferred.

Typical Properties

Mobilgrease MP Page 2 of 3

Mobilgrease MP	Test Method	Unit	
CMCS Code			970422
NLGI Grade	ASTM D 217		2
Soap Type			Lithium
Color	Visual		Medium Brown
Structure	Visual		Smooth
Penetration, Worked	ASTM D 217		280
Dropping Point	ASTM D 2265	°C	180 (min)
Viscosity of Oil @ 40°C	ASTM D 445	cSt	150
Washout Test	IP 220 Mod		0-0

Health and Safety

Based on available information, this product is not expected to produce adverse effects on health w used for the intended application and the recommendations provided in the Material Safety Data SI (MSDS) are followed. MSDS's are available upon request through your sales contract office, or via Internet. This product should not be used for purposes other than its intended use. If disposing of u product, take care to protect the environment.
