Mobil Commercial Vehicle Lube , Netherlands

Multigrade Light Duty Diesel Engine Oil

## Product Description

Mobil Delvac Legend commercial Vehicle 10W-30 is Multigarde light Duty diesel engine oil specifically engineered to provide excellent lubrication of diesel engines operating in severe conditions. This diesel engine oil is designed using a blend of high performance synthetic blend base oils to provide excellent low temperature fluidity, high temperature viscosity retention, and volatility control. These base oils are enhanced with an advanced additive system, which provides a high level of protection to all parts of the engine.

## Features and Benefits

The technology in Mobil Delvac Legend commercial Vehicle 10W-30 delivers strong performance in both modern diesel engines as well as older models. The key benefits include:

| Features   | Advantages and Potential Benefits   |
|--|---|
| Good protection against oil thickening, high temperature deposits, sludge<br>build-up, oil degradation and corrosion | Helps to control of high temperature deposits<br>Helps to reduce wear and to provide long engine life<br>Protection against ring sticking |
| Excellent low temperature properties   | Ready oil "pumpability" / circulation Start-up wear protection  |
| Stay-in-grade shear stability  | Viscosity maintenance and reduced oil consumption under heavy-duty, high temperature operating conditions                                 |

## Applications

Recommended by ExxonMobil for use in:

- Recommended for use in turbo-charged, low emission diesel engines of European and American design
- On highway applications operating in both high speed/high load and short haul pick-up/delivery in light and heavy-duty trucking

## Specifications and Approvals

| This product is recommended for use in applications requiring: |
|--|
| API CF   |
| API CF-4   |
| API CG-4   |
| API SH   |
| VOLVO VDS-2  |

| This product is recommended for use in applications requiring: |  |
|--|--|
| API SF   |  |
| API SG   |  |

| This product meets or exceeds the requirements of: |
|--|
| API CH-4   |
| API SJ   |

#### Properties and Specifications

| Property                                      |            |
|---|------------|
| Grade   | SAE 10W-30 |
| Kinematic Viscosity @ 100 C, mm2/s, ASTM D445 | 11.7       |
| Kinematic Viscosity @ 40 C, mm2/s, ASTM D445  | 80         |
| Pour Point, °C, ASTM D97                      | -36        |
| Total Base Number, mgKOH/g, ASTM D2896        | 8.9        |
| Viscosity Index, ASTM D2270                   | 141        |
| Flash Point, Cleveland Open Cup, °C, ASTM D92 | 225        |
| Density @ 15 C, kg/l, ASTM D4052              | 0.87       |
| Ash, Sulfated, mass%, ASTM D874               | 1.1        |
