

Mobil Super Gas 5W-30

Mobil Passenger Vehicle Lube , Peru

Synthetic Technology Gas Engine Oil

Product Description

Mobil Super Gas 5W-30 is an enhanced synthetic technology gas engine oil meeting the latest industry engine oil specifications. Especially designed for gas (VNG, LPG) and bi-fuel engines to provide an excellent level of protection and performance under the most demanding conditions.

Mobil Super Gas 5W-30 is industry proven so you can trust you will get the performance you want from your vehicle. Mobil Super Gas 5W-30 contains synthetic technology formulation that provides excellent high temperature stability and protection, enhancing the performance of gas converted engines.

Features and Benefits

Mobil Super Gas 5W-30 is industry proven so you can trust you will get the performance you want from your vehicle. Mobil Super Gas 5W-30 provides:

- Enhanced thermal stability, which allows the oil to not oxidized rapidly
- Excellent high temperature protection thanks to its high quality base oil formulation
- Provides superior engine protection during start up when compared to higher viscosity oils
- Its additive package provides excellent protection against engine wear and deposit formation.
- Thanks to its synthetic technology formulation provides improved fuel economy up to a 3%* by enabling the engine to work more efficiently

* Potential fuel economy improvement obtained by switching from higher viscosity oils to a lower viscosity grade. Actual savings are dependent upon vehicle/engine type, outside temperature, driving conditions and your current engine oil viscosity.

Applications

Mobil Super Gas 5W-30 is formulated to give you confidence of protection beyond that of conventional oils. We particularly recommend it for the following vehicle types and conditions:

- Converted gas (VNG, LPG) and bi-fuel engines
- Latest gasoline engine technologies
- Passenger cars, SUV's, light trucks and vans
- Stop and Go City Driving
- Normal to severe operating conditions
- Turbo-Chargers
- High Performance Engines

Always consult your owner's manual to check recommended viscosity grade and specifications for your particular vehicle.
